

Self-Cleaning
Checklist

- Tablecloths are required and must be provided by the LICENSEE.
- Do not attach anything to the walls of the Bowyer Community Building or Anderson Building unless using an approved method by the Fairgrounds Manager.
- Staples, nails, tape, or other fasteners shall not be used on the tables unless approved by the Fairgrounds Manager.
- All tables shall be cleaned and left up for inspection.
- All trash receptacles shall be emptied, trash shall be bagged, and the same shall be deposited in the dumpster. Trash containers located within the facility are to be returned in the same condition and in the same location as found.
- Clean sink and countertop, clearing all cups, dishes, etc. from the area.
- Sweep entire floor area, including underneath the table and chair carts. Remove thoroughly any gum or other adhesive substance from the floor surface.
- Remove ALL decorations including tape, string, wire or anything else used to decorate.

By signing this agreement the Licensee and Licensor agree to complete and follow these requirements.
