"All of them do such a wonderful, fantastic job. If it weren't for these fine folks, I would be up a creek without both oars."

"The LCAT service is reliable; it always shows up, I like all the drivers! Good solid folks. They are really helpful when we need to go places like appointments and stores, like when you need to go places like work and other things. Love your service."

-LCAT Customer Survey

"Thank you for arranging the transportation to and from Emporia. I enjoyed my stay, and we had a successful exam at the Technical College. Terry was a terrific driver, and I enjoyed talking to him. I hope I can be assigned to another exam in Emporia so I can come back."
