How Do I get a Ride in Town?

Apart from scheduled fixed route services we also offer origin to destination “demand-response” general public transportation. Appointments for rides are made Monday through Friday from 7:00 a.m. to 5:00 p.m. and Saturday from 7:30 a.m. to 3:00 p.m. We schedule vehicles and drivers today to meet the demand for rides tomorrow. Rides are scheduled on a first come first served basis. To ensure a ride, it is advisable to book your trip as far ahead as possible. **All requests for rides must be scheduled at least a day in advance.** We can schedule rides for you up to two weeks in advance. For next-day rides, the cutoff time for scheduling is 5:00 p.m. the day before. Further, riders should not attempt to schedule a ride by leaving ride requests on the voicemail. However, if canceling a future trip after 5:00 p.m., please leave a voicemail.

If you need to use the lift for any reason, just let the driver know. You do not have to be in a wheelchair to use the lift.

Non-Functional Lift Policy

Lyon County Area Transportation (LCAT) shall take the vehicle out of service before the beginning of the vehicle’s next service day and ensure that the lift or ramp is repaired before the vehicle returns to service. A vehicle with an inoperable lift will only be operated in the event there are no other vehicles to be replaced with. No more than five days from the day on which the lift or ramp is discovered to be inoperative. After this time, any vehicles with inoperable lifts or ramps may not be kept in service, even if there are no spare vehicles.

Will Calls

In Town:

A “will-call” is defined as not having a specific return time, and passengers calling the Dispatcher as soon as they are ready to return from their appointments. For situations when you need a ride but can’t be sure of the time the ride will be needed, we will schedule you for a “will call” ride. “Will call” rides are only to be used for medical purposes, all other trips must schedule a return trip or LCAT cannot guarantee a return time later. Please note “will-call” riders may have an

extended wait for their return, riders may wait for up to an hour before being picked up.

All “will calls” must be received by the office no later than 5:00 p.m.

Regional:

Regional “will calls” are not limited to medical and will be utilized in most instances unless a specific time is warranted.

What Regional Services are Available?

LCAT offers regional trips outside of the Lyon County area to a wide variety of cities and destinations. If you have a specific destination or city in mind, please call our office to get more information including pricing for the trip. Regional trips **require a two-weeks’** notice prior to the trip date. Rides must be scheduled during hours of operation Monday thru Friday and are on a first come first served basis. Trips to more than one city will be an additional charge based on mileage.

What County Services are Available?

LCAT also travels outside the Emporia city limits but still within the county for trips to serve all residents of Lyon County and its cities. County trips are subject to a notification of **one week** prior to the trip. Rides must be scheduled during hours of operation Monday thru Friday and are on a first come first served basis. Trips to more than one city will be an additional charge based on mileage.

Pickup Times and Wait Policy

When scheduling a ride, the dispatcher will give the rider a thirty-minute pick-up window. The driver may arrive anytime during this pick-up window. Riders should be ready for pickup 10 minutes prior to the scheduled arrival window of the bus. Upon arrival, the driver will wait for up to FIVE minutes.

After five minutes if the rider has not boarded the bus, we will assume that the rider is not taking the ride and you will be considered a **no-show** for that ride. If the rider has any additional rides scheduled for that day, he/she should contact the Dispatcher if you intend to take those other rides. If a rider no shows for the first

pick-up they have scheduled for the day, all additional trips for that day will be canceled.

Bike Racks

Select buses are equipped with bicycle racks. Each bike rack has instructions for use and will hold up to two regular adult or child bicycles. All passengers with bicycles will be responsible for loading and unloading their own bicycles from the bike rack.

Delays

Please be aware that road work in and around the area or inclement weather may cause delays or detours on services, LCAT will take every measure to ensure that buses arrive on schedule; however, we realize that service may be detoured because of accidents or other instances beyond our control. Any service closures due to inclement weather will be announced on our website, social media, and on local radio and television stations. Please call 1-620-343-4207 for any questions.

No-Show and Cancellation Policy

The definition of a no-show is: A rider who has a scheduled trip and does not appear at the designated pick-up point and time, does not cancel the trip in advance, or refuses to take the scheduled trip.

In order to provide the greatest service to all passengers, the cancellation notice should be made no less than **one** hour prior to the scheduled pick-up time.

Cancellations made less than one hour prior to the scheduled pick-up time will be considered a late cancellation. This policy applies to all scheduled trips including subscription trips.

A late cancellation is considered a no-show.

Excessive No-Show/Late Cancellations:

Any rider who demonstrates a pattern or practice of no-shows will be suspended from service. A pattern or practice involves intentional, repeated, or regular actions, not isolated, accidental, or singular incidents.

No-show/late cancellations are considered excessive when a customer's no-show/late cancellations exceed 3 within one month. This will be considered a *pattern or practice* of missed trips and the customer will be sent written notification that he/she has violated the No-Show/Late Cancellation Policy and is subject to suspension.

Suspensions

Customers incurring excessive no-shows or late cancellations may be warned and then suspended for a reasonable period. Repeated violations of this policy will result in longer suspension periods each time. The following suspension periods shall apply to violations of this policy that occur within the same rolling 12-month period.

- **1st Violation: Written Warning**
- **2nd Violation: 1 Week Period**
- **3rd Violation: 2 Week Period**
- **4th or Subsequent Violations: 4 Week Period not to exceed 30 continuous days.**

Can Children Ride the Bus?

Children 5 and under can ride the LCAT service for free. All children under the age of twelve must be accompanied by an adult on demand response and fixed route trips.

Children under four years old must be in a child safety seat, while children 4-8 years old must be in a safety or booster seat unless they weigh more than 80 lbs. or are taller than 4 ft. 9 inches tall. The child must be secured with an appropriate child seat provided by the parent or guardian. The parent or guardian will properly fasten such devices using the vehicle seatbelts.

Will You Transport Animals?

For policy purposes, animals are considered either service animals or pets.

Service animals will be transported with their owners without restriction or extra cost. Service animals must be supervised, and the owner/handler must retain full control of the animal at all times. Owners/handlers are responsible for the cleanup of any waste or litter caused by the service animal and are liable for any damages the animal cause.

Pets are not allowed on any of the LCAT vehicles unless they fall into the category of “service animals”. Emotional support animals are not considered service animals.

What about Trips That I Need Regularly?

A subscription can be made for rides that are taken on a regular basis, at the same time by the same individual, to regularly scheduled appointments. Subscriptions will be set up for riders taking two or more round trips per week. Subscriptions will be taken on a first come first serve basis.

It is the responsibility of riders with subscriptions to cancel any subscription ride that they do not intend to take. Individuals with subscription rides will be subject to the no-show and late cancellation policy described above. In addition, two or more violations of the no-show and late cancellation policy within a rolling 12-month period will result in the loss of subscription ride privileges. Upon request, the rider may again be scheduled for a subscription after a 4-month suspension period.

Cancellations on the voice mail for rides scheduled before 7:30 a.m. daily must be made by 6:00 a.m., or they are considered no-shows. Due to the way we schedule, we do not allow on-board changes of ride destinations. You may not board the bus and ask the driver to change your booked destination. You must go to your originally scheduled destination and then call the Dispatch staff to rebook a trip to your new destination.

Wheelchair Procedures

The Americans with Disabilities Act of 1990 defines a “wheelchair” as a mobility aid belonging to any class of three- or more-wheeled devices, usable indoors, designed or modified for, and used by individuals with mobility impairments, whether operated manually or powered.

- Drivers will assist customers onto the approved bus wheelchair ramps.
- Drivers are not required to assist passengers in wheelchairs up or down stairs.
- Drivers will secure all wheelchairs with tie-downs and their passengers with lap and shoulder belts.

Riders using scooter-type vehicles may be asked to transfer to regular seating for their safety. However, passengers with scooters cannot be required to transfer, nor is LCAT required to transport any mobility device that exceeds the weight capacity and or dimensional capacities of the lift. The measurement of the lift platform is 34”x48” with a maximum lift capacity of 800 pounds. All wheelchairs must be properly secured, **LCAT will refuse to transport any rider who refuses to have a wheelchair secured.**

Lyon County Area Transportation (LCAT) requires that all mobility devices be secured. LCAT will make every attempt to secure wheelchairs and scooters prior to departure. If problems are encountered during the process and a determination is made by the driver that the wheelchair or mobility device cannot be adequately and safely secured, then the driver will suggest that the passenger transfer to a vehicle seat. At that point, it is the passenger’s choice to transfer to a vehicle seat or remain in their mobility device. All passengers who remain in the wheelchair or scooter are required to wear a seatbelt. All wheelchairs and scooters must be able to run under their own power. **Please note that the Federal Transit Authority (FTA) has advised that the ADA does not allow transportation services to be denied if the wheelchair or mobility device cannot be secured, but should the passenger refuse to attempt securement they may be denied.**

Personal Care Attendants

A personal care attendant is someone designated or employed specifically to assist the rider with daily life functions on a “regular” basis and may provide assistance during the ride or at the destination. One attendant per rider will be permitted to ride the bus without charge. To prevent potential abuse, a companion (e.g., friend

or family member) does not count as a personal care attendant unless the rider regularly makes use of a PCA, and the companion is actually acting in that capacity.

Personal Assistance to Riders on All LCAT Services

Due to scheduling demands, drivers must limit their personal assistance to riders. Drivers assist riders with only those activities directly related to boarding or exiting the vehicle. Drivers may not enter a rider's home. Drivers shall not handle rider's keys, purses, garage door openers, or access any home security devices. Riders may bring groceries and personal items purchased at stores on the bus but are limited to what the rider can carry in one trip. Riders should not expect LCAT to transport large items such as furniture items, including televisions, or any items of weight exceeding 15 pounds. Drivers will be responsible for passengers entering and exiting the bus safely.

Only drivers will operate the power lifts provided with vehicles. While operating the lift, drivers may not at the same time be riding the lift. Drivers are not permitted to lift individuals required or wanting to transfer from a scooter or wheelchair to regular vehicle seating. Such riders will be asked to provide their own personal care attendant to assist in their transfer.

LCAT reserves the right to refuse to transport any rider whose driveway, sidewalk, or any other access is icy, snowy, or in other conditions that impedes the driver from safely boarding or alighting the rider. Seat belts must be worn at all times when riding demand response vehicles.

Transporting Medical Equipment

Passengers traveling with respirators, portable oxygen and other life support equipment must follow safety procedures that ensure protection of all passengers and transit employees. The portable oxygen tank may not exceed 15 lbs. in total weight, 29 inches in height, and 4 inches in diameter. Defective leaking or otherwise unsafe or unfit tanks will not be allowed on the vehicle. Portable oxygen tanks must be turned off when not in use. Drivers will secure oxygen tanks in an upright position using a securement belt or system approved cargo belt. Passengers who wear or carry portable oxygen tanks must wear the seat belt provided. LCAT personnel may not administer or assist with the administration of any medication.

Any passenger requiring assistance while on the vehicle should travel with the assistance of a Personal Care Assistant (PCA).

Conduct, Hygiene and Prohibited Behaviors

If at any time the driver judges that he/she is in an unsafe situation, the driver, with consent of the Dispatcher, will have the right to exercise judgment and stop the vehicle and ask passenger to get off the vehicle or call authorities if needed. Inappropriate conduct, including behaviors which present a danger to other passengers will not be tolerated. These include, but are not limited to intoxication, fighting, arguing, and threatening the driver or fellow passengers, use of foul or derogatory language and sexual harassment. Anyone's behavior that poses a safety hazard to him/her or others caused by disregard for cleanliness, misplaced bodily fluids will be denied bus service. Open wounds or weeping sores must be adequately covered with bandages, clothing, etc. to prevent contamination of vehicle seats and/or other passengers with body fluids. At the driver's discretion, with consent of the Dispatcher, a rider who engages in persistent inappropriate and/or dangerous behavior may be required to vacate the vehicle. No alcoholic beverages may be consumed on the bus. **NO TOBACCO USAGE OR OPEN CONTAINERS, NO WEAPONS INCLUDING KNIVES OR AMMUNITION AND NO HAZARDOUS MATERIAL SUCH AS CAR BATTERIES, GASOLINE, PROPANE, ETC. ARE ALLOWED ON THE BUS.** If a passenger is found to have the afore- mentioned item, they will be asked to vacate the bus immediately and will not be allowed to ride any more that day. If a person refuses to vacate the bus when requested to do so by the driver for any of the above listed reasons, the police will be called to escort him/her off the bus. A Second offense will result in a 30-day Suspension, a Third offense in a 60-day Suspension and a Fourth offense in an Indefinite Suspension pending demonstration that the problem behavior can and will be changed with a minimum of 90 days Suspension from bus service.

Concealed Weapons Policy

Per Kansas Personal and Family Protection Act K.S.A. 75-7c01:

K.S.A. 75-7c10 and amendments thereto, allows persons to carry open and concealed guns on transportation vehicles. Government transit agencies cannot say

no to guns. Drivers can request that weapons be concealed if they feel there is a danger to themselves or others but cannot deny transportation for refusal to conceal a weapon. Lyon County Area Transportation (LCAT) shall not be liable for any wrongful or negligent act of any person carrying a concealed handgun.

Workplace Violence Zero Tolerance

Threats of violence, threatening behavior, or acts of violence against any employees or other individuals are prohibited. LCAT has a “zero tolerance” policy for such conduct. It will not be tolerated, and it is the duty of all employees to report such conduct.

Any person who threatens violence, displays threatening behavior, or engages in violent acts in LCAT offices or in or around LCAT vehicles will be removed from the area or vehicle as soon as safety allows. Said person shall be prohibited from entering LCAT offices or riding or driving LCAT vehicles until an investigation of the conduct in question has been completed.

Should the investigation establish a violation of this policy, LCAT will take action up to and including termination of any business relationship, suspension or termination of employment, and civil or criminal prosecution.

Grievance Procedure

Passenger complaints will be submitted as soon as possible. A complaint form (see Appendix 1) should be completed for passenger complaints and problems. The drivers carry additional complaint forms. The driver will call immediate concerns in to the Dispatcher for resolution. A customer who believes that he/she has suffered a grievance may also elect to discuss the matter with the Director or Transportation Manager in person but should do so within five working days of the date of the grievance. The Director or Transportation Manager will respond to all grievances within five working days, making every effort to resolve the grievance at this level.
